

VERBAND SCHWEIZER MUSIKCLUBS UND FESTIVALS
FÉDÉRATION SUISSE DES CLUBS ET DES FESTIVALS DE MUSIQUES ACTUELLES
FEDERAZIONE SVIZZERA DEI CLUB E FESTIVAL DI MUSICA
SWISS FEDERATION OF MUSIC VENUES AND FESTIVALS

JOB OFFER – BACKEND WEB DEVELOPER (40 – 60 %)

PETZI is the Swiss non-profit federation of clubs and festivals dedicated to contemporary music. It represents more than 210 members across 22 cantons and three linguistic regions, defends their interests, develops services and projects, and represents the sector towards local, cantonal and national authorities.

The association is structured around an assembly of members, regional committees, a national committee, and offices in Fribourg, Bern and Zurich.

PETZI's members are music clubs and festivals organizing contemporary music concerts for non-profit, cultural purposes. PETZI operates an online agenda and ticketing platform (www.petzi.ch), running 24/7 and maintained by a team of 6 part-time employees and 8 volunteers.

To strengthen its digital services, PETZI is looking for a Web Developer (40–60%).

PETZI is committed to a respectful and inclusive working environment and values diverse backgrounds, experiences and perspectives. All applications are welcome, and particular attention will be given to candidates affected by structural discrimination.

RESPONSIBILITIES

- Design, plan, develop and test features and improvements on petzi.ch and related projects backends
- Code review for project teammates
- Participate in improving and maintaining the hosting infrastructure
- Participate on 2nd level support
- Participate to workgroup meetings and to the association's life in general

REQUIREMENTS

- Experience in backend web development
- Experience in Python / Django framework, Kubernetes and Android development is a plus
- Comfortable with development tools such as Git/Docker/Nix/Kubernetes
- Capacity for self-organization and ability to work in team for a non-profit organization
- Living in Switzerland with a valid work permit
- Fluent in spoken and written French + English (B2)

WE OFFER

- A varied and meaningful position within a dynamic national network
- A key role in the development and maintenance of digital services for the contemporary music scene
- Flexible working hours
- A collaborative and engaged working environment
- The possibility to work remotely (with financial support)
- Support for commuting and mobility
- Menstrual leave
- A salary basis of 6'000CHF (brut) at 100%

Job start date: **01.02.2026** or by agreement
